# Active Building Permits

5 ton split AC, make up air, two exhaust hoods.

## TEMPORARY CONSTRUCTION DEWATERING

change use from retail to restaurant, interior alterations for restaurant(New Noodles) and occupy per plan

Blanket Permit for interior non-structural alterations to the suite 1700. For Winterbauer & Diamond, per plans.

Blanket Permit for interior non-structural alterations to the 17th floor. For Unico, per plans.

Construct (1) building totaling 48,010 sf of retail, 13,150 sf of restaurant, and 270,735 sf of parking/loading. Building is 6-stories high with 6th story uncovered parking deck.

The project team proposes an alteration to the existing basement parking and storage facilities currently in the three basement levels of the Qwest building. We seek to remodel the parking layout and remove storage to increase the parking counts from 74 to approximately 300 spaces. To achieve this we propose to provide 2 automobile elevators to provide vertical circulation to the 3 lower levels. The parking will change to a valet only format. We also plan on removing and relocating storage and ancillary offices through the three floors. In this way we can provide new amenities like bicycle parking and other features please note that the use will not change. It will remain accessory to administrative office, and all the floors affected are below grade. No additional gross square footage is being added to the building.

Alter portion of 3rd floor to reconfigure office space per plan, and
